The House Minority Caucus is committed to providing the diversity of thought needed at the state Legislature to improve the lives of everyday people and show people that their votes do make a difference. A few highlights of our Legislative Caucus Package include:

CREATING JOBS

- Incentivize home-powering battery storage systems and allow providers to sell energy directly to customers
- Create a tax credit for new businesses established along the mass transit route
- Create an inter-island ferry system

LOWERING THE COST OF LIVING

- Reduce vehicle registration taxes and fees
- Exempt food and medicine from the general excise tax (GET)
- Provide historic preservation review exemptions for 50-year-old homes that have not been declared historic

GIVING THE GOVERNMENT BACK TO THE PEOPLE

- Require a supermajority vote to increase taxes
- Require “price tags” on bills
- Give initiative, referendum and recall powers
